Therefore, the use of such equipment shall be subject to the following guidelines:

No photographic equipment (e.g., camera, camcorder, cameraphones etc,) is to be allowed on either poolside, spectator gallery or any other area under the jurisdiction of the meet organisers without prior approval of the meet director.

Application to use photographic equipment must be made on the approved S.A.S.A. form which is available on request.

Application can be made on the day to the meet director or to the meet directors appointed official. Applicants must provide proof of identity when applying and carry such proof when intending to use their photographic equipment.
