Background

As we are now in below Level 0 and getting back to some normality the Lothian Region Swimming Committee is hosting, in conjunction with the other Regions and District a time trials to allow 12 years and over swimmers the chance to get back to racing and post some times.

We are also hosting a Children's Gala for 11 years and under to ensure that every age group is catered for within the District.

This will be a level 3 license.

The aim of the children's gala is to keep everything as simple and easy as possible as many swimmers may never have attended a competition or precious few due to lockdowns. We want to make things an enjoyable experience for everyone not just swimmers but coaches and volunteers also.

This Meet is a team event where medals will be presented to the top three overall teams at the end of the meet schedule.

Medals will not be presented on the day but will be announced. Coaches for the winning teams should collect the medals prior to leaving the venue.
