The Scottish Swimming Transgender & Non-Binary Competition Policy and FAQs can be found [here](#). Any policy related matters that arise during the event should be reported to and will be recorded by the Meet Director and these matters will be communicated to and managed post event by the relevant Scottish Swimming staff. At no point will members be challenged on the day of a competition with any matters being resolved post-event.

As a result of this policy being implemented, any competitor intending to compete within the Female category at this event will be required to provide confirmation that their birth sex is female when signing up to the meet conditions through entry. By entering the Female category, athletes are therefore confirming their birth sex is female and are eligible to compete in the Female category. No further action is required.

**PARA-SWIMMING ENTRIES**

We will accept entries for certain events (see Appendix 1) from athletes with a recognised classification (WPS, BS, BBS, Sport Excel or Virtus) which must be held on the Scottish Swimming, British Swimming or WPS Database / Master List at time of entry.

The Para-Swimming events will be integrated into the heats, seeded by absolute time. There will be no separate Para-Swimming finals, but Para-Swimmers can qualify for finals based on time achieved. Please note that Para times are consideration times. The organisers reserve the right to make cuts to ensure a balanced programme and the smooth running of the meet. Athletes with higher British Para points will take priority.

## ENTRIES AND TIMELINES

All entry times must have been set at an accredited/licensed competition since 1<sup>st</sup> January 2024. These should be from meets recorded in the Aquatics GB or World Aquatics rankings, or from a meet sanctioned by a National Governing Body. An exception exists for the Female 1500m Freestyle, where entries (with submitted times within the consideration time) will be accepted from athletes without an accredited/licensed time but who meet the consideration time for the 800m Freestyle.

Entries from athletes based in Great Britain should submit their entry using the following link – <https://www.swimmingresults.org/events/ei25/>. On entering your registration number, you will be shown the events for which you have a consideration time. Please select the events you wish to enter. You will then be guided to the payment process, using Paypal. You do not need a Paypal account. Once payment has been made, your entry will be registered. Please note: if you don't have a photo, coach and height information in your bio, entries will not be displayed.

Entries from athletes who are based outside Great Britain should submit their entry using the same link – <https://www.swimmingresults.org/events/ei25/>. Click on the icon – World Aquatics International Entrants and enter your details, the events that you wish to swim, and your submitted entry times, which must be equal to or faster than the relevant consideration time. You will then be guided to the payment process, using Paypal. Once payment has been made, your entry will be registered. Once the entries are submitted, a head and shoulders photograph must be emailed to [edinburghism@gmail.com](mailto:edinburghism@gmail.com). This will allow your accreditation to be created and emailed to you.

**In the event of any problems please contact us at [edinburghism@gmail.com](mailto:edinburghism@gmail.com).**

No refunds will be given after acceptances are published or for entries submitted outside the consideration times. Fees for rejected entries will be returned to clubs as soon as possible after the event.

<b>Opening date for entries</b>	<b>Friday 10<sup>th</sup> January 2025.</b>
<b>Closing date for entries 12.00 (GMT)</b>	<b>Tuesday 18 February 2025.</b>
<b>Meet programme &amp; other information published</b>	<b>Thursday 27 February 2025.</b>
