Transgender Competition Policy

As of the 1st January 2024 the Scottish Swimming Transgender & Non-Binary Competition Policy was implemented nationally across all aquatics sports. The policy and FAQs can be found [here](#). Any policy related matters that arise during the event should be reported to and will be recorded by the Meet Manager and these matters will be communicated to and managed post event by the relevant Scottish Swimming Staff. At no point will members be challenged on the day of a competition with any matters being resolved post event. As a result of this policy being implemented, by entering the Female category, athletes are therefore confirming their birth sex is female and are eligible to compete in the Female category.
